Augusta, GA 30903

To the Honorable Members of the Augusta Bar Association:

With much gratitude, SafeHomes cannot adequately express our sincere appreciation for the generous gift of \$10,724.97 made by the Augusta Bar Association. Please know how much the support of your members to our organization, positively impacts the individuals and families we care for each and every day.

It was a joy to work with the members at the annual golf tournament and it was a true blessing to have been chosen as the 2011 recipient of the ***Raising the Bar Campaign***.

Sincerely,

Aimee Hall
Executive Director
