February 23, 2015

Effective February 23, 2015, Richmond County Superior Court will accept electronically filed documents in general civil and domestic relations cases.

As the Richmond County Superior Court Clerk, I am a member of the Council of Superior Court Clerks of Georgia. The Clerks' Council has partnered with GreenCourt Legal Technologies to create PeachCourt as the most convenient way to e-File court documents in Georgia.

To get started, visit www.peachcourt.com and register for your FREE PeachCourt account. Please keep the following in mind:

1. e-Filing is optional and is an alternative to filing printed documents by hand.
2. Filing fees and costs are processed electronically through PeachCourt at the time of filing.
3. PeachCourt uses email to provide you with alerts related to your filings.

For answers to all your e-Filing questions, contact PeachCourt:
